### FORM #1952 - WISCONSIN SUPPLEMENT TO FINANCIAL REPORT

**Purpose:** Charitable organizations that are registered, or are required to be registered, with the Department of Financial Institutions – Division of Corporate and Consumer Services ("division") must file an annual financial report with the division within 12 months after the organization's fiscal year-end unless the organization qualifies for an exemption from the annual filing requirement.

An organization must file its annual report on Form #308 or on Form #1952. This form, Form #1952, is a shorter, more commonly used version of the annual report form and must be accompanied by the organization's IRS 990, 990EZ, or 990-PF. If an organization is unable to submit an IRS 990, 990EZ, or 990-PF, it should submit Form #308 to the division instead of Form #1952.

Please note that an organization may not have to file a Form #308 or a Form #1952 if:

- it received \$25,000 or less in contributions during its most recently completed fiscal year, or
- it operates solely in the county in which its principal office is located <u>and</u> received less than \$50,000 in contributions during its most recently completed fiscal year.

If the organization's contributions fall into either of the above categories, an Affidavit in Lieu of Annual Financial Report (Form #1943) should be submitted instead of Form #308 or Form #1952.

#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors Faith's Lodge Minneapolis, Minnesota

# Report on the Audit of the Financial Statements Opinion

We have audited the accompanying financial statements of Faith's Lodge, which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Faith's Lodge as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Faith's Lodge and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Faith's Lodge's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Board of Directors Faith's Lodge

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
  to fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Faith's Lodge's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Faith's Lodge's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Organization**

Faith's Lodge (the Organization) was incorporated in 2006 to be operated as a charitable organization. The mission of Faith's Lodge is to support parents and families coping with the death or medically complex condition of a child in a peaceful environment to reflect on the past, renew strength for the present, and build hope for the future. The real value in the experience comes from the connections that parents make in talking to others who are experiencing the same challenges surrounding difficult circumstances. A grieving mother that connects with another mother who knows her depth of pain is going to have more success navigating her journey of grief for many years to come. The lodge accommodates up to eight families at a time and operates year-round serving either couples or families on designated dates. Every "bereaved" week includes facilitated group discussion with a licensed therapist as well as scheduled therapeutic activities for individuals and activities for couples and families. Activities include yoga, mindfulness, memorial birdhouse painting, and a heart stone ritual for all families.

# **Net Asset Classification**

Net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed stipulations that: a) restrict their use to a specific purpose satisfied by actions of the Organization or passage of time; or b) require that they be maintained in perpetuity by the Organization. The Organization has no net assets restricted in perpetuity.

## **Revenue Recognition**

Contributions are recognized as revenue when they are received or unconditionally pledged.

Support that is with donor restrictions is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statements of activities as net assets released from restrictions.

#### Cash and Cash Equivalents

For the purposes of the statements of cash flows, the Organization considers all cash and other highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# **Cash and Cash Equivalents (Continued)**

At times, cash and cash equivalents may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limit.

#### Pledges and Grants Receivable

Pledges and grants receivable are recorded at fair value at the time of gift. Pledges and grants receivable that are expected to be collected in greater than one year are recorded at the present value of the amounts expected to be collected using a discount rate reflective of the market and conditions at the time of gift. Amortization of the discount is included in contribution revenue.

Management provides an allowance for bad debts using the allowance method, which is based on management judgment considering historical information. An allowance is provided for other accounts when a significant pattern of uncollectability has occurred. When all collection efforts have been exhausted, the accounts are written off against the related allowance. As of December 31, 2023 and 2022, the allowance for doubtful accounts balance was \$360,000 and \$-0-, respectively.

# **Property and Equipment**

Property and equipment purchases exceeding \$1,000 are recorded at cost. Contributed items are recorded at fair market value at date of donation. If the donor stipulates how long the assets must be used, the contributions are recorded as restricted for purpose or time support. In the absence of such stipulation, contributions of property and equipment are recorded as without donor restrictions. Depreciation is recorded through the use of the straight-line method over the estimated useful life of the asset. Construction in progress is not depreciated until placed into service or materially complete. Buildings have an estimated useful life of 40 years, equipment has an estimated useful life ranging from 3 to 10 years, and the website has an estimated useful life of five years.

#### <u>Leases</u>

Faith's Lodge determines if an arrangement is a lease at inception. Leases are reported on the balance sheet as a right-of-use (ROU) asset and operating lease liability.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the balance sheets.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# Leases (Continued)

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities. The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

# **Interest Costs**

Interest costs incurred as part of the cost of acquiring or constructing a qualifying asset are capitalized as part of the qualifying asset's basis. Interest costs incurred on qualifying assets financed with the proceeds of externally restricted tax-exempt borrowings are capitalized net of any interest earned by temporarily investing the proceeds of the borrowings.

Interest costs that are not related to the cost of acquiring or constructing a qualifying asset are expensed as incurred. Total interest expense was \$53,502 and \$56,369 for the years ended December 31, 2023 and 2022, respectively.

# **Donated Services, Materials, and Equipment**

Contributions of noncash assets (materials and equipment) are recorded at their fair values in the period received. Contributions of services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and which would typically need to be purchased if not provided by donation, are recorded at their estimated fair values in the period received. Internal special event in-kind amounts are donated items recorded at fair value that are used in facilitating the event. Examples of such donated items are generally food, beverage, facility costs, and auction items. The Organization estimates the fair value of these donated items based on the current market rates for similar items in the Organization's market.

In-kind contributions received during the years ended December 31 consisted of:

	2023		 2022
Advertising	\$	-	\$ 51,000

# **Functional Allocation of Expense**

Salaries and related expenses are allocated based on timesheets maintained by management. Expenses, other than salaries and related expenses, which are not directly identifiable by function, are allocated based on the best estimates of management.

#### **Estimates and Assumptions**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from the estimates used.

#### **Income Tax**

The Organization has tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Minnesota Statute 290.05. The Organization has adopted guidance in the income tax standard regarding the recognition of uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized.

# **Fair Value Measurements**

The Organization uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. The Organization follows the accounting policy which measures fair value using a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset or liability. The Organization currently does not have any financial assets or financial liabilities that are measured at fair value on a recurring or nonrecurring basis.

#### **Gift Cards**

The Organization sells gift cards online. The Organization does not charge fees on unused gift cards and cards do not expire. Revenue from gift cards is recognized when the gift card is redeemed by the customer or the likelihood of the gift card being redeemed is remote and the Organization has no legal obligation to remit the unused balance to relevant jurisdictions as unclaimed property. The Organization estimates its gift card breakage rate based on historical redemption experience and recognizes the projected breakage 24 months after a gift card is issued, which is the time the Organization considers redemption remote. Gift card breakage income included in revenue for the years ended December 31, 2023 and 2022 was \$5,897 and \$6,989, respectively.

#### **Subsequent Events**

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 13, 2024, the date the financial statements were available to be issued.
