

**What is happening:**

Faith's Lodge and The BeliEve Foundation have united to form the Child Loss Foundation. Both Faith's Lodge and The BeliEve Foundation were founded from the personal experience of losing a child, and the new Child Loss Foundation will honor the missions of both organizations while expanding our ability to serve those in need.

What is the mission of the Child Loss Foundation:

The Child Loss Foundation supports parents grieving the death of a child with resources, connection and guidance as they navigate their individual grief journey.
